World! Bring It On!

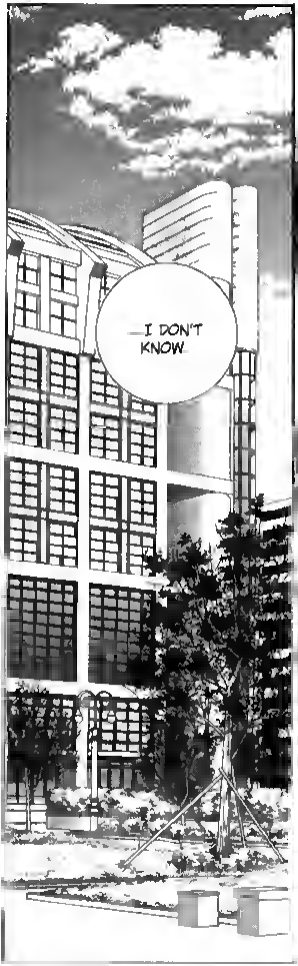
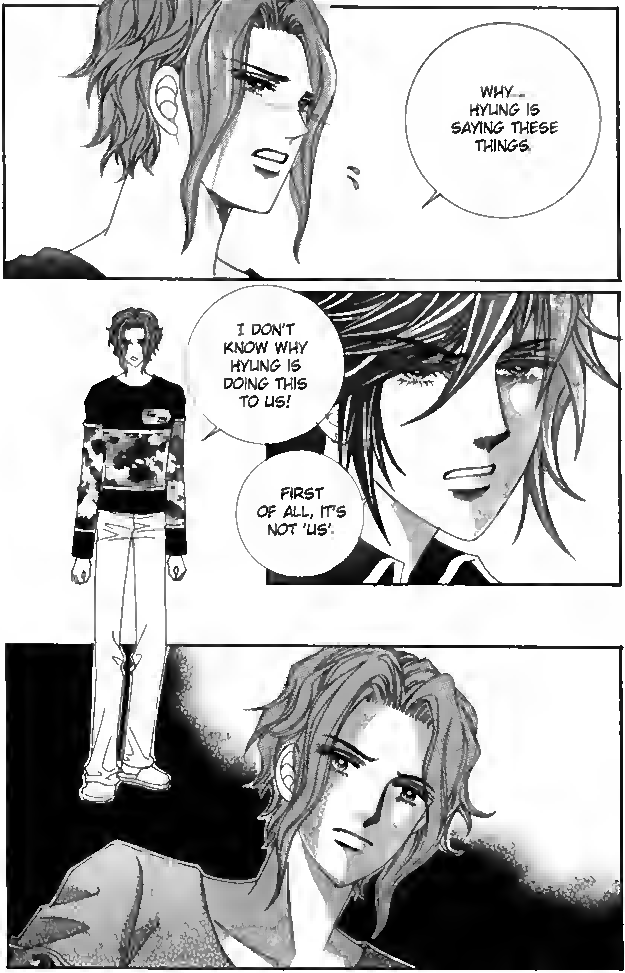
Hwang Mi Ri

It On!
"I won't stand down! I won't be victimized! Bring it on, World!"
HyoYi is a poor girl with a scholarship to one of the most exclusive private schools, attended only by kids from the richest families. Strong and resilient, HyoYi fights to protect her mentally handicapped brother whose illness makes him a target for bullies and beatings. Then she meets MinHa, who unexpectedly winds up making a commitment to protect the siblings. Brought together by their unusual circumstances, HyoYi and MinHa grow to learn what it means to love, and time...



WHAT?
...I DON'T KNOW



WHY... HYUNG IS SAYING THESE THINGS.
I DON'T KNOW WHY HYUNG IS DOING THIS TO US!
